**Enrollment report: attachment**

**BSD continues to put systems in place so that we follow a plan with goals for how the district can be more efficient and continue to do great things for our students.**

**ESSER:** Capital Project to increase our CTE offerings for students I need board approval for enclosing the building behind HLMS and building inside to include two classroom space ideas for CTE courses.

**SIA:** We will build in the Behavior Interventionist (Mariah interviewed with other applicants and was hired for this position) this position will be split between the MS and the HS

**Certificated Bargaining:** We have come to an agreement and are waiting for the final documents to be finished.

**Student Learning:**

*Human trafficking assembly scheduled for May 12, 2022 6PM in our Gym for the community. Early in the day assembly for our HS and MS students.*

*Our administration team decided to go with NWEA. NWEA is a research-based adaptive assessment for our students K-12. NWEA is a not-for-profit leader in advancing student growth. K-12 staff will have professional development to be able to dig deep into how we can help our students grow within the world of learning. We currently do not have a K-12 system.*

*Summer learning will be offered for students K-12 brochures will be out to parents (by the time the board meeting happens is our goal).*

*Trades: We are working toward goals of offering more trade (CTE) courses to our students in the future. The district is adding another CTE teacher next Fall and we hope we can continue to grow! We will be surveying students to help build a better vision. We have heard the desires of culinary arts, the trades, hospitality, farming, cosmetologist, ect... This is very exciting!*

**Housing Issues:**

We have lost potential applicants for several positions for the 2022-23 school year because we do not have work force housing.

*Workforce Housing: Dan will present ideas to the board.*

## What's New at the OC?:

- We hired a new Kindergarten teacher. She is coming to us with many years of experience teaching Kindergarten and First Grade.
- Spring Concert: We will be holding another music concert on May 26th in our gym. It will look similar to the winter holiday concert with two sessions to make it easier to fit all families in the gym.
- School-wide Field Trip to the Sprague Theater: The Marlo Dance Studio will hold a showcase event for ALL Ocean Crest students on May 17th. They plan to show us some of their best pieces from the Anastasia production they have been working on. This will be during the school day and lasts less than an hour.

## A Big Thanks to...

- all of our teachers. What a strong, committed, and compassionate group of teachers we have working for the Bandon School District!

### HLMS Update:

- **HLMS STEM Fair @ 530pm @ HLMS Gym:** Special thanks to Nicole Kraynik and the Coos Curry Electric Foundation for partnering with HLMS to provide our Tigers and our neighboring middle schoolers the opportunity for a Science Fair including a raffle for tickets to Trees of Mystery, OR Coast Aquarium, West Coast Game Park, Charleston Marine Life Centers, and Evergreen Air and Space Museum!
- **Staff Professional Development** focused on our Trauma Informed School Systems pilot through ESD including microPD videos and discussion about how trauma impacts our students academically and behaviorally, plus the things we are putting in place to provide support for our Tigers. I look forward to more opportunities to work with the HLMS staff to develop a cohesive and supportive system that balances the impact of trauma with the accountability that we know is necessary for our students to be ready for success in the world outside of their K-12 educational experience.
- **Conferences** continue to be an opportunity for our 5th/6th teachers to partner with all parents and for our 7th/8th Team to meet with students demonstrating an academic or behavioral need for additional supports. I am grateful for a team who is solutions oriented and looking for the ways in which we can reach out to those students who may not feel success in the traditional school environment by incorporating engaging lessons and hands-on opportunities.
- **Looking to 2022-23:** We have surveyed our soon to be 7th and 8th grade Tigers about what types of electives they would be interested in taking next year as we are planning for the 2022-23 school year. On the survey were offerings that we think we can provide within our current staffing as well as options that we may need to stretch to fill, but will do so if/when we see the interest and can find a staff member with the skill set needed to meet the challenge. On the list we included: Art/Creative Writing, Band, Career Exploration, Chess, Choir, Family and Consumer Science (Home Ec), Gardening, Geography, Keyboarding/Coding, Leadership, Lifetime Activities, Robotics (Intro and Advanced), Spanish, STEM (including STEM-Chemistry), Wood Shop, and Yearbook/Photography. Students were

also offered the opportunity to provide their own ideas which included: Metal Shop (offered in HS), Drama, Book Club, Science, Riflery, Fencing, Archery, Digital Art, Dance, Fishing, and Sports. We will meet as a staff to discuss options and opportunities during our May Professional Development Day and will be forecasting for next year soon!

- **Welcome to Mariah McMonagle as our new Behavior TOSA for the 2022- 23 school year!** Harbor Lights is excited to welcome Mrs. McMonagle to the team as we work together to support our students with making safe and responsible choices and thriving academically! I am confident that Mariah will continue to be an incredible addition to the BSD staff in her new role and look forward to our collaboration as we work to bridge the middle school experience to the high school experience for our students.

### District Test Coordinator Update:

- All Test Administrators have been trained and (fingers crossed that this is still true when we meet!) we have had ZERO test improprieties to date! Student results for ELPA (English Language Proficiency Assessment) will not be available until the second week of June, but our ELA, Math, and Science scores should be coming in sooner than that!
- **Smarter Balanced Testing at HLMS**
  - 5/9-5/13 5th/6th Math
  - 5/16-5/20 7th/8th Math
  - 5/25-5/27 5th-8th SEED Survey
  - 5/23-6/3 Make Up Sessions

### Special Education Director Update:

- As we are looking to the 2022- 23 school year, we are in the process of recruiting for a new HS SpEd Teacher and filling a few Educational Assistant positions in the district.
- Bandon School District was selected to pilot a Least Restrictive Environment (LRE) self-assessment protocol in conjunction with the Oregon Department of Education. ODE will be sending representatives to BSD on May 10 to tour the district and work with myself and our SpEd Team to better understand our systems and protocols for determining student placement as it relates to the Least Restrictive Environment provisions afforded students by federal laws. As always, it is a privilege to partner with ODE as we work to ensure ALL students receive the best education possible!

### HLMS Building Needs:

- Mr. Trevisiol is working on raised beds for our front parking lot area against the building to support a garden program at 5th/6th Grade and maybe even some flowers to brighten up the entry to our building! \*CONTINUING\*
- Mr. Trevisiol and I are getting ready for the spring installation of our new playground activities including a climbing structure for 5th/6th, a GagaBall pit for 7th/8th (the brackets have arrived!), and 9Square In The Air (location TBD).
- As we have some interest in a Family and Consumer Science/HomeEc elective, I will be looking into purchasing the necessary kitchen appliances to support this endeavor such as refrigerators and stoves/ovens. I will be working with Mr. Trevisiol to ensure that we have the proper infrastructure to support these appliances before we can approve this elective. We have donation money to help defray the cost of this start up elective and we are excited at the opportunity to expand our elective offerings!

## BHS School Board Report May 2022

### May/June Events:

- 
- The Class of 2022 Project Graduation is providing the Senior Trip for our Seniors for four days. We will camp, run the Deschutes River and do the Paulina Plunge on bikes. It is less than one month until Graduation and the Seniors are excited! They are racking up scholarships thanks to Erim Robertson.
  - The Industrial Arts Competition is complete and our kids did a great job and won awards at Marshfield. Tanner Holycross is thrilled by the quality and quantity of entries we had this year. Entries included various cutting, welding, CAD, construction and manufacturing projects. I will have specific winners for the Board Meeting...
  - Congratulations to our State Champion Speech Team! The Tigers had multiple Finalists which led to a tie for FIRST PLACE with (4A) Marshfield. We are so proud of our kids and coaches, Tyler Curtis and Ashley Pearson:
    - Daniel Cabrera- First in HI and 6th in DI
    - Kenny McMillan- 5th in Congress
    - Maddie Pahls- 4th in Inform
    - Tristan Radcliffe- 7th in Impromptu
  - We had a fabulous Spirit Week for Prom and Teacher Appreciation Week. There were many dress-up days and games for classes to compete in during Break each day for the lead-up to Prom. We have now crowned a King & Queen and a Duke & Duchess! The teachers were treated to lunch, socks, succulents and coffees. BHS is proud of our staff; the help and inspiration they give to our teenagers is second to none.
