Melody DiJulio made a motion to approve the December 16, 2024 minutes; Wayne Strong seconded and the motion passed unanimously.

3.0 Review Invoices
Amanda Steimonts provided the committee members with a detailed breakdown of the bond budget and expenditures-to-date. Our total budget is $8,004,884.56 which represents the original $4 million bond and the additional $4 million matching funds provided by OSCIM (Oregon School Capital Improvement Matching).

As of 2-28-25, we have expended a total of $6,114,007.20.

4.0 Public Relations
A time lapse camera has been installed to capture the progress of the tearing down the old building and constructing the new one. Photos and information will continue to be posted on the District Facebook page and on the website to keep community members informed of the bond progress.

5.0 Future Projects Update
Executive Director of Operations Brent Robertson updated the committee on Bus Barn project. There is a delay in the start of the project due to the architects not securing a recent ground report of the actual site of the bus barn. The original location was not feasible because of ground conditions on a portion of the site. The site is being adjusted to a better spot on the location, but has to go back to the county for approval. The next steps in the process were explained to the committee.

The next Bond Oversight Committee meeting will be held on Monday, June 2, 2025 at 5:00 pm in the District Office.

8.0 Adjourn
There being no further business for the committee, Joseph Bain adjourned the meeting at 5:27 pm.
